

How to create a Stock Treasury account as a stockholder

22 Steps [View on Tango](#)

Created by

Allan Luik

Creation Date

October 15, 2021

Last Updated

October 15, 2021

STEP 1

Go to your inbox and find an email from StockTreasury

The screenshot shows a web interface for 'Public Messages'. On the left is a sidebar with navigation links: Public Inboxes, Public SMS, Pricing, and Request Trial. Below these are links for System Status, Terms, Privacy, Accessibility, and Security. The main area is titled 'Public Messages' and contains a search bar with 'souflakis' and a 'GO' button. A table lists messages with columns 'From', 'Subject', and 'Received'. One message is visible: 'StockTreasury' with subject 'New Shares in StockTreasury' and received '3 min'. A 'Made with Tango.us' watermark is in the bottom right.

From	Subject	Received
<input type="checkbox"/> StockTreasury	New Shares in StockTreasury	3 min

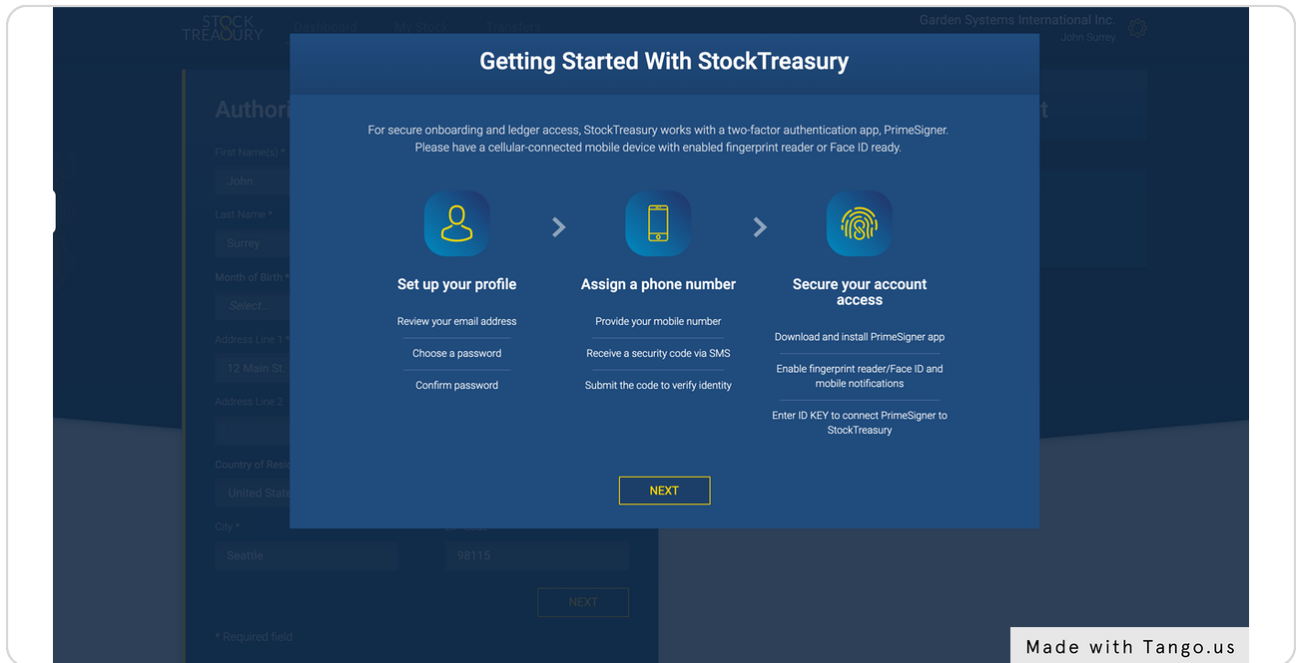

STEP 2

Open the email and click on REGISTER

The screenshot shows an email interface. The left sidebar is identical to the previous step. The main area displays email details: 'To: souflakis', 'From: test@stocktreasury.com', 'Sending IP: 54.240.8.97', and 'Received: 2021-10-14 21:44:08'. Below the details are tabs for 'HTML', 'JSON', 'RAW', 'LINKS', and 'ATTACHMENTS'. The email content features the 'STOCK TREASURY' logo and the heading 'Shares Recorded in StockTreasury'. The text reads: 'You have been entered as a stockholder into the StockTreasury secure corporate stock ledger and your shares have been recorded. Click below to access your shares. StockTreasury is free for stockholders.' A blue 'REGISTER' button is at the bottom. A 'Delete' button is in the top right. A 'Made with Tango.us' watermark is in the bottom right.

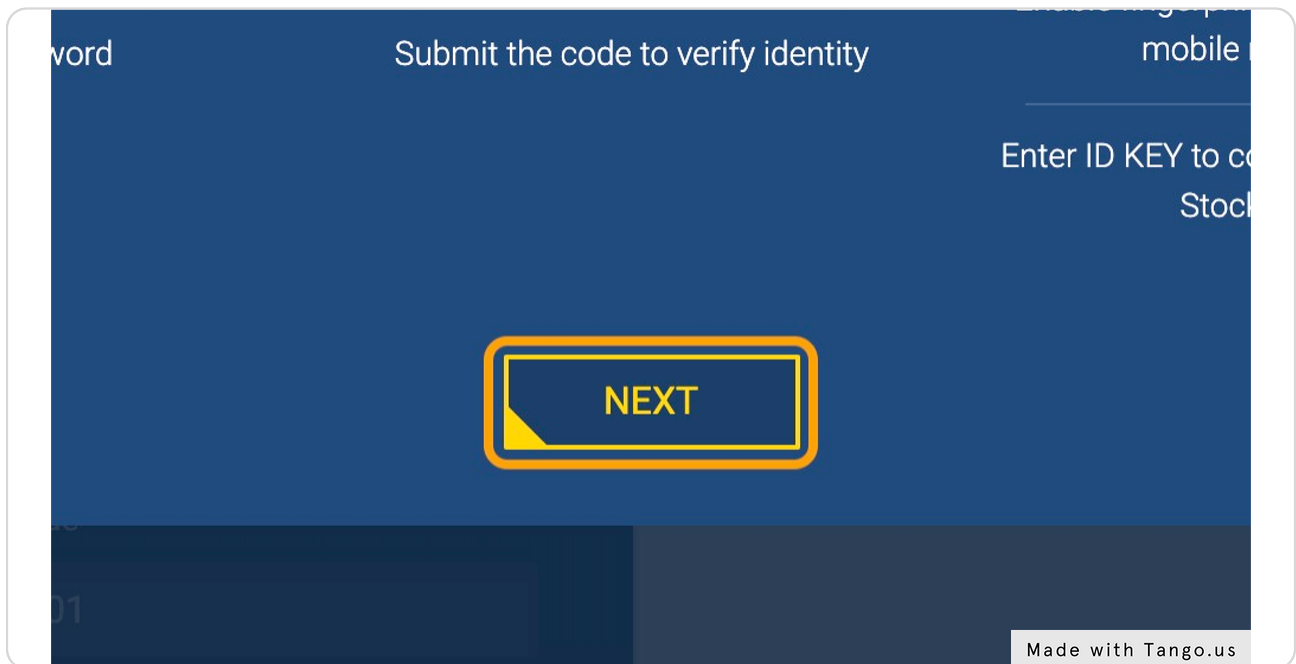

STEP 3

Your browser will open a screen with onboarding guidance

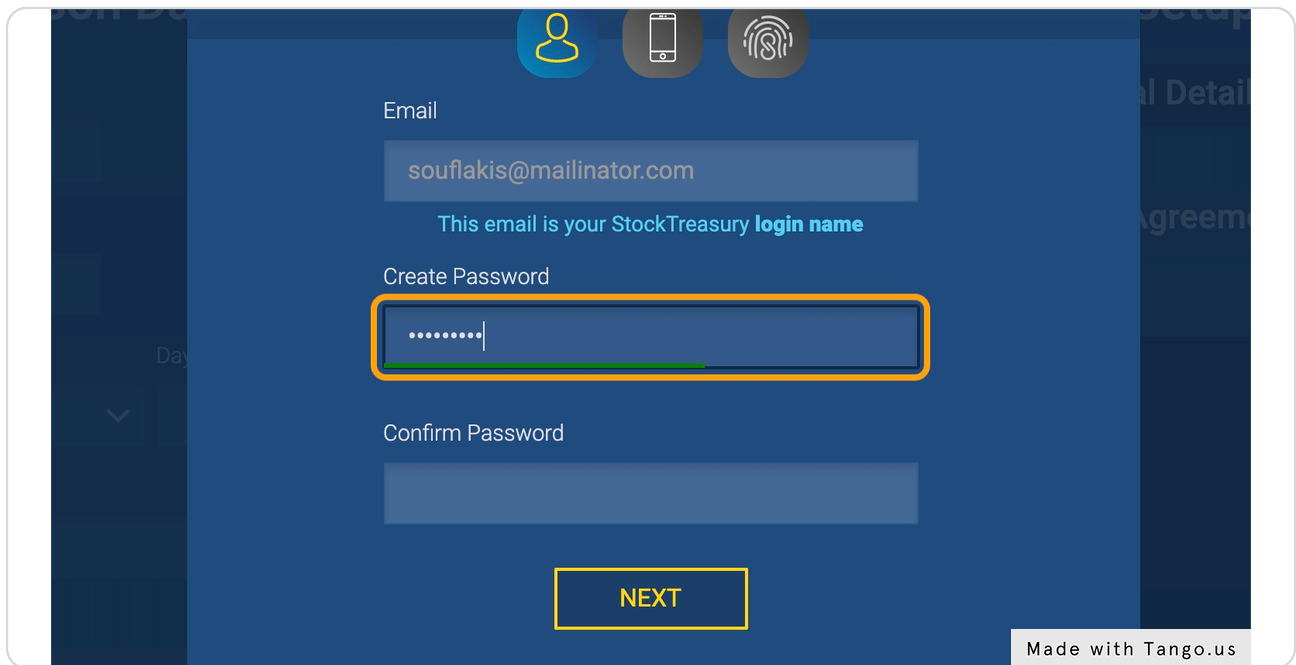

STEP 4

Familiarize yourself with the steps and click on NEXT

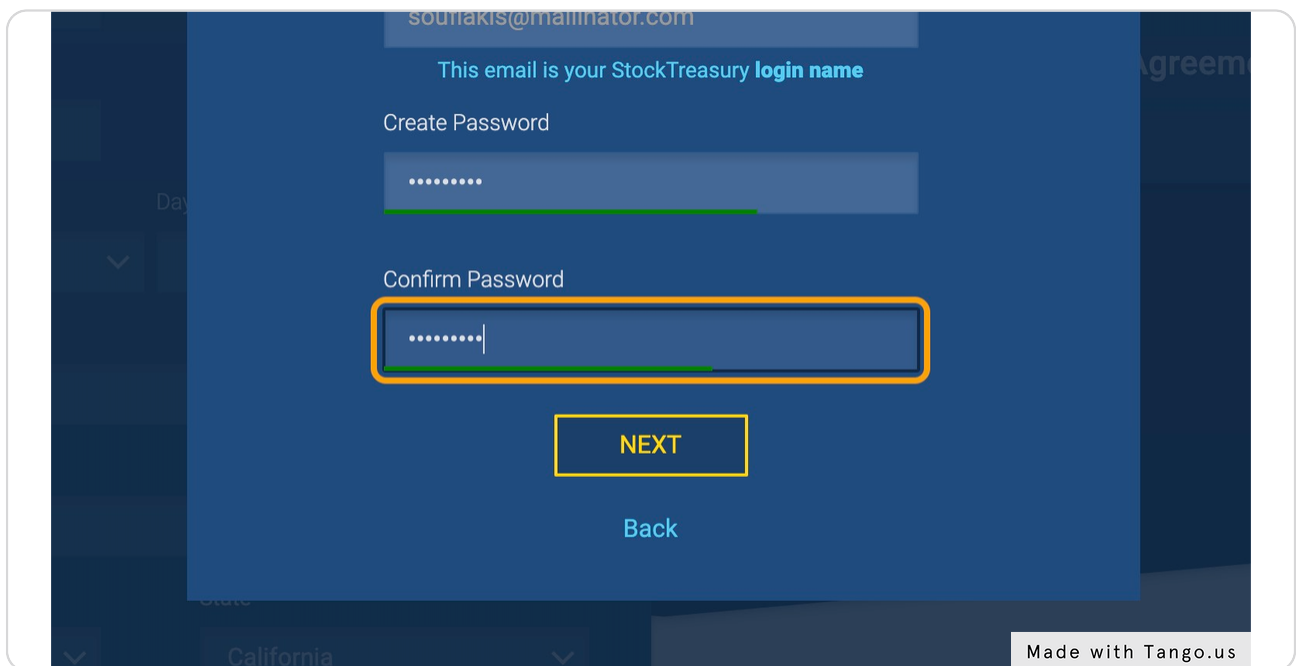

STEP 5

Create a password

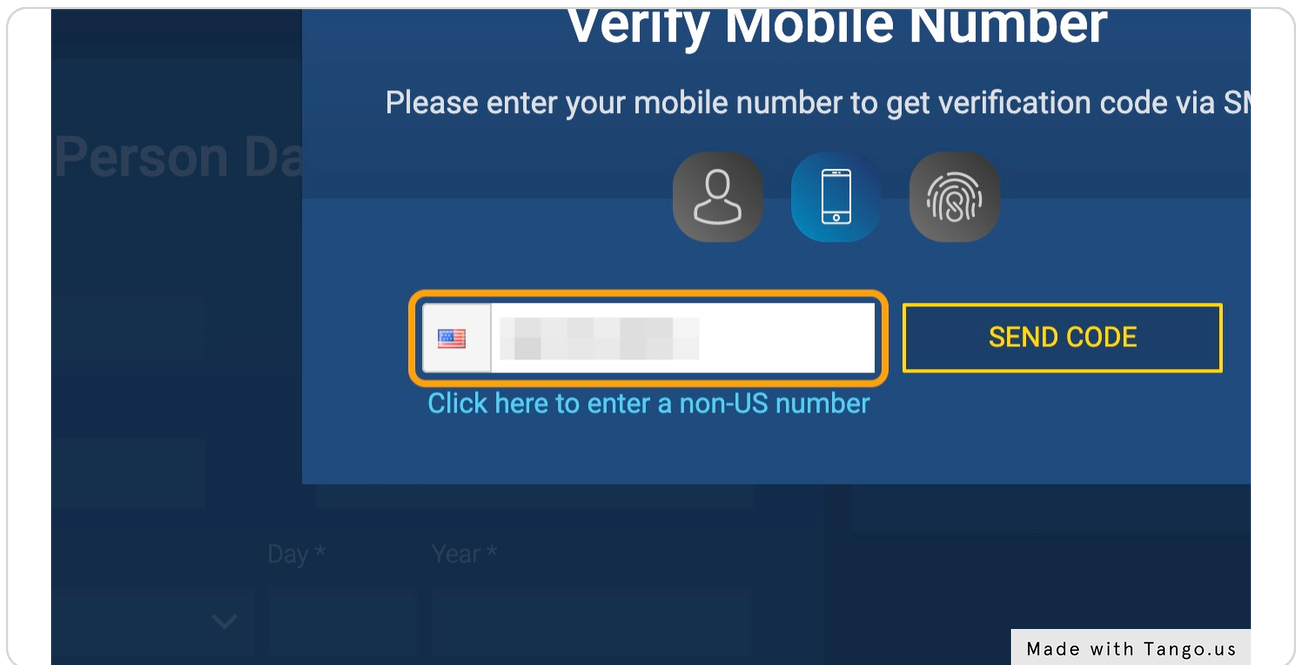

STEP 6

Confirm password and click on NEXT

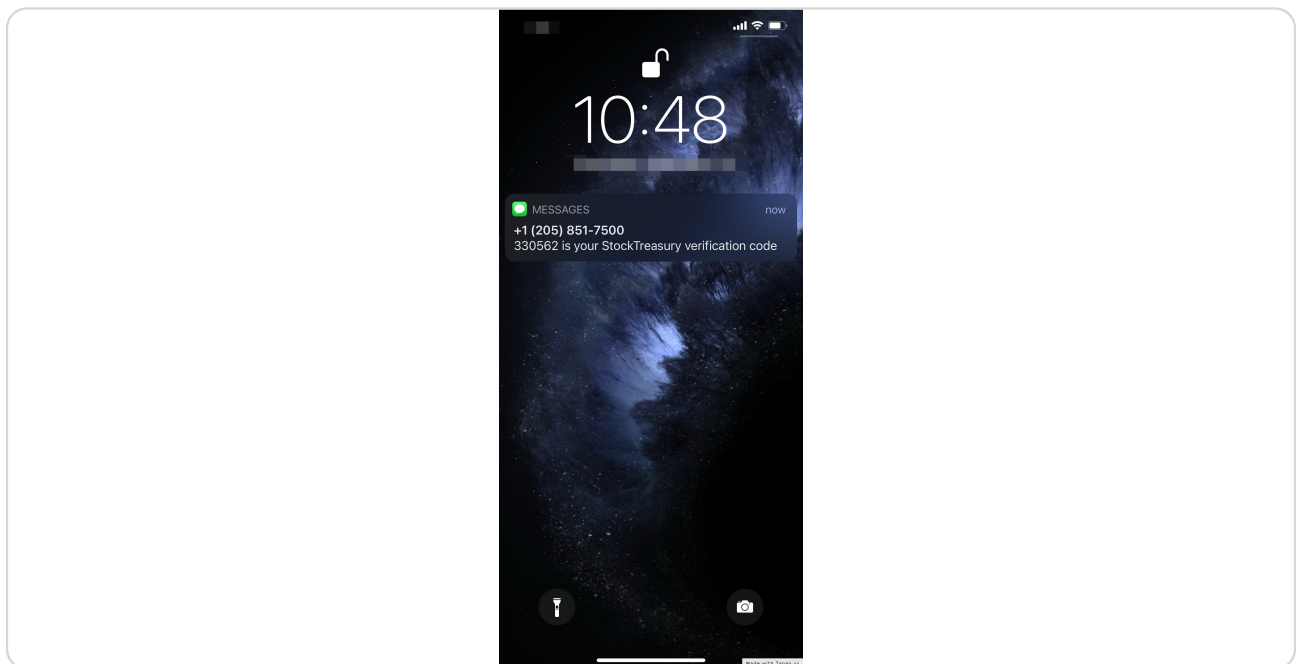

STEP 7

Enter your mobile phone number and click on SEND CODE

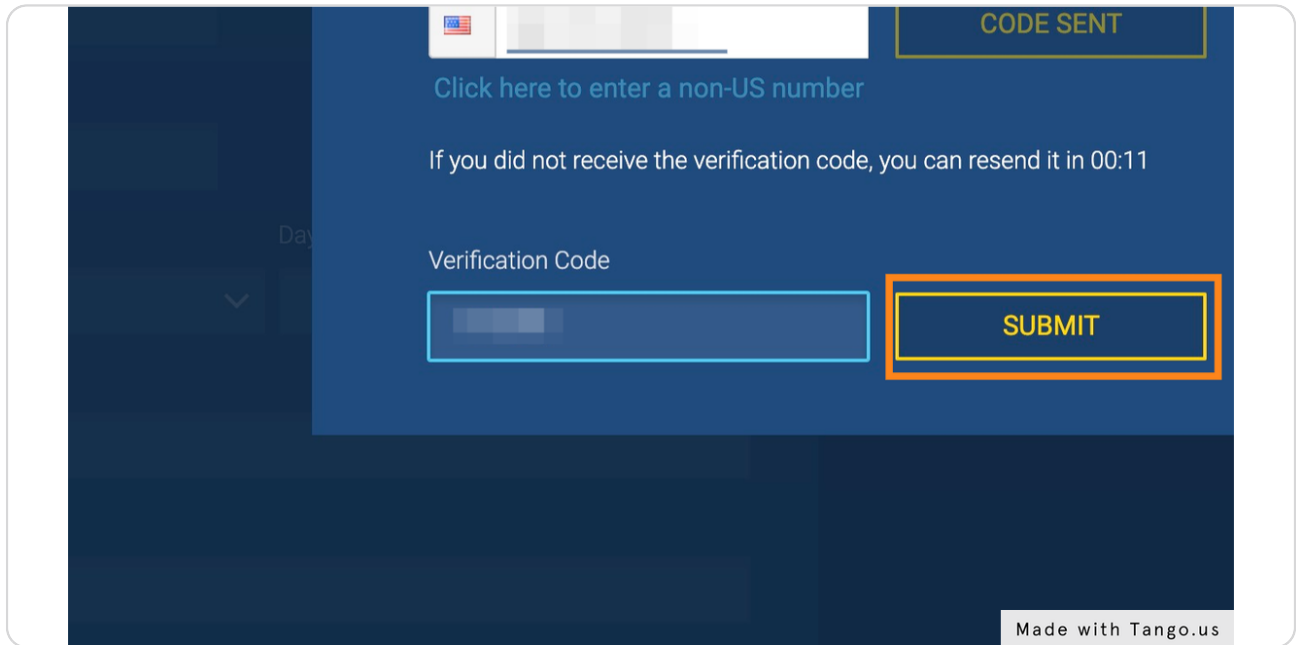

STEP 8

Your phone will receive an SMS message with a verification code

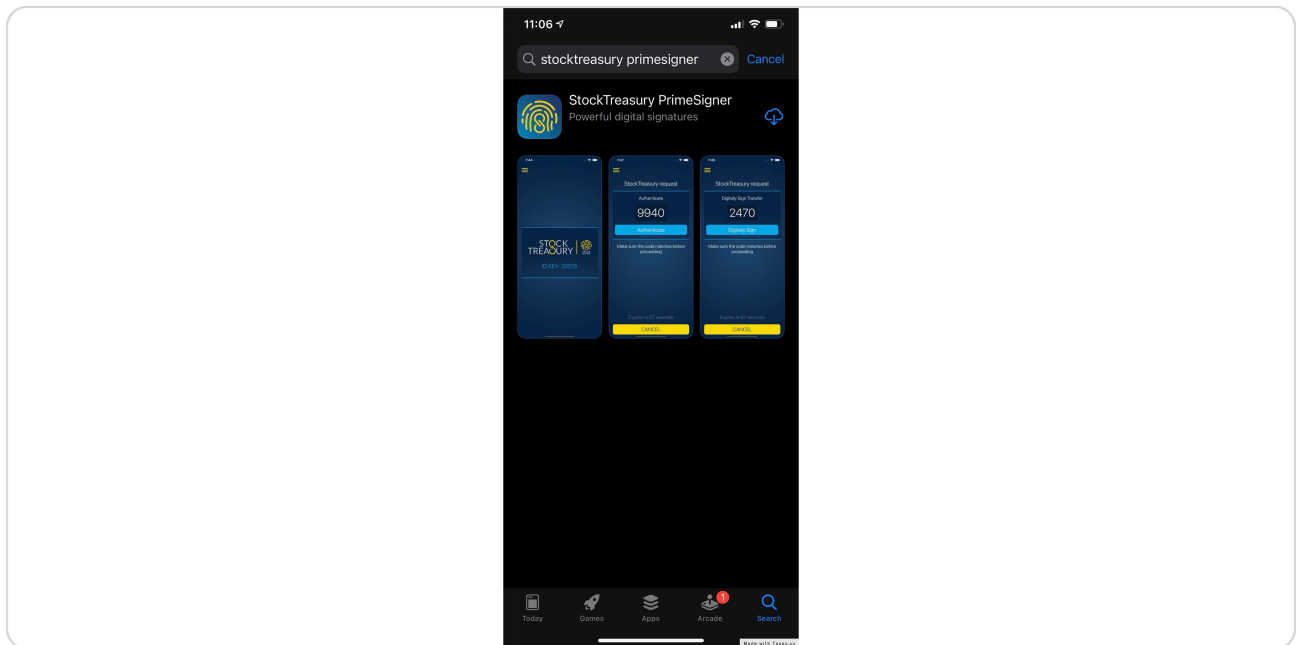

STEP 9

Enter the verification code and press SUBMIT

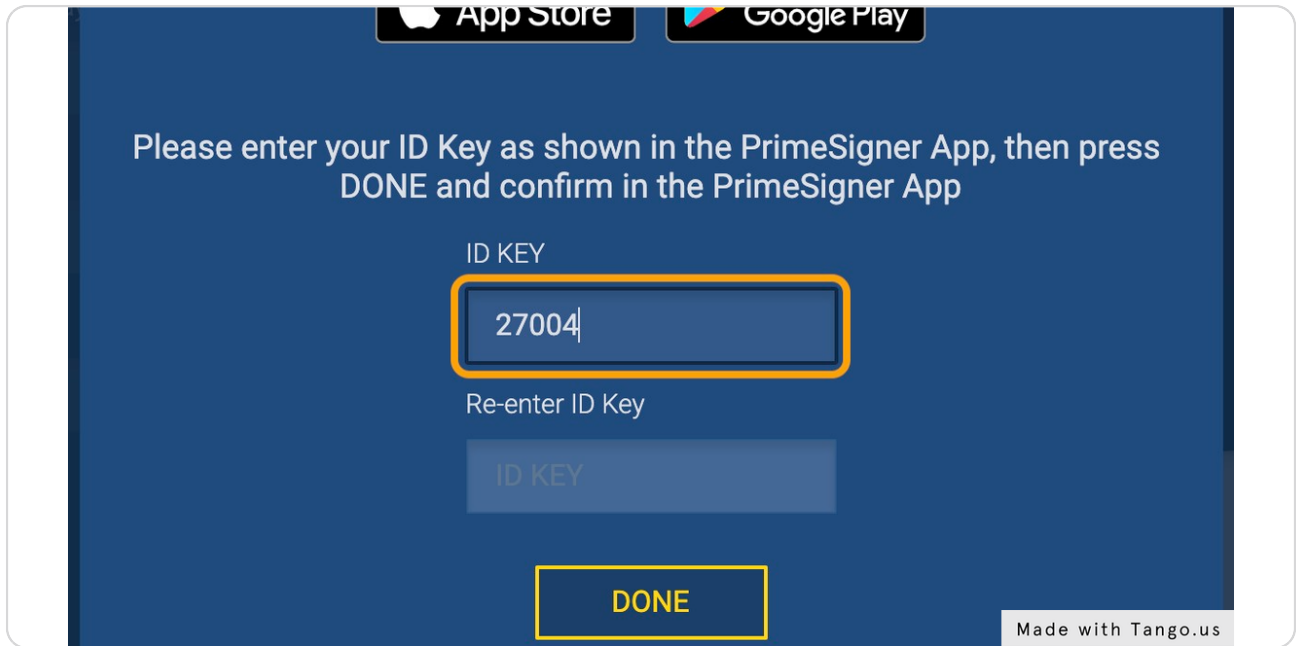

STEP 10

Download the StockTreasury PrimeSigner app and open it. Make sure your mobile device's finger print reader or facial recognition is enabled..

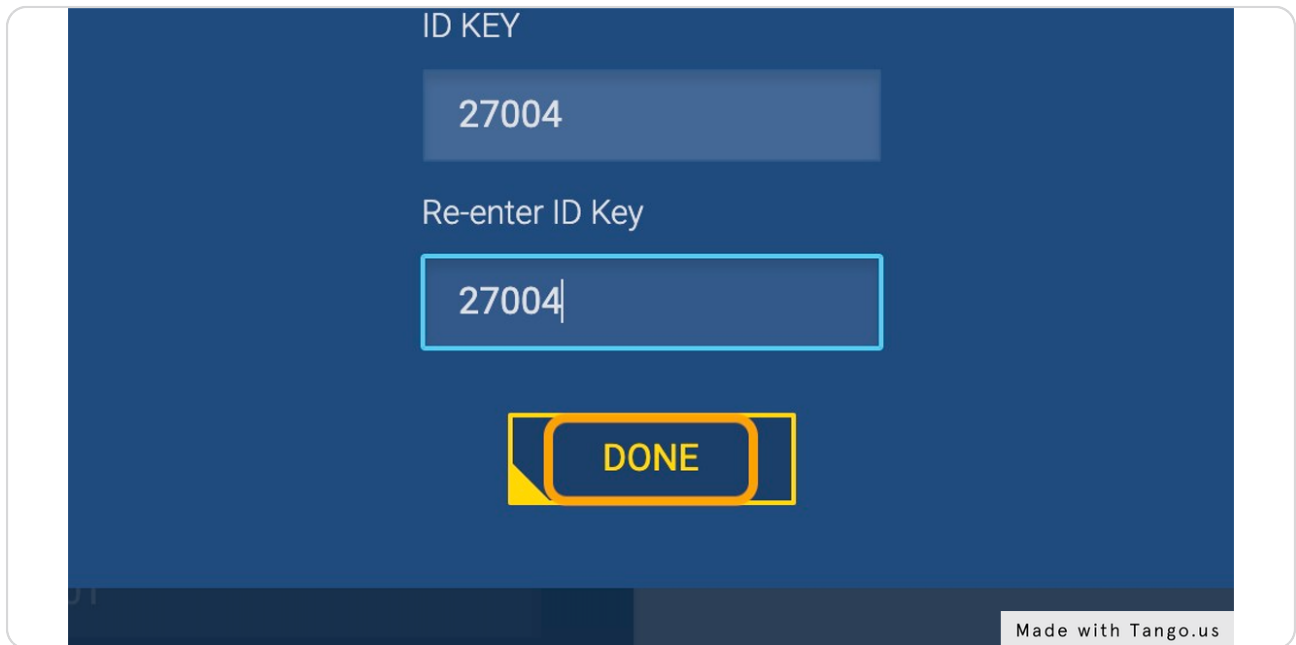

STEP 11

Go back to your browser and type in the ID KEY displayed in the PrimeSigner app.

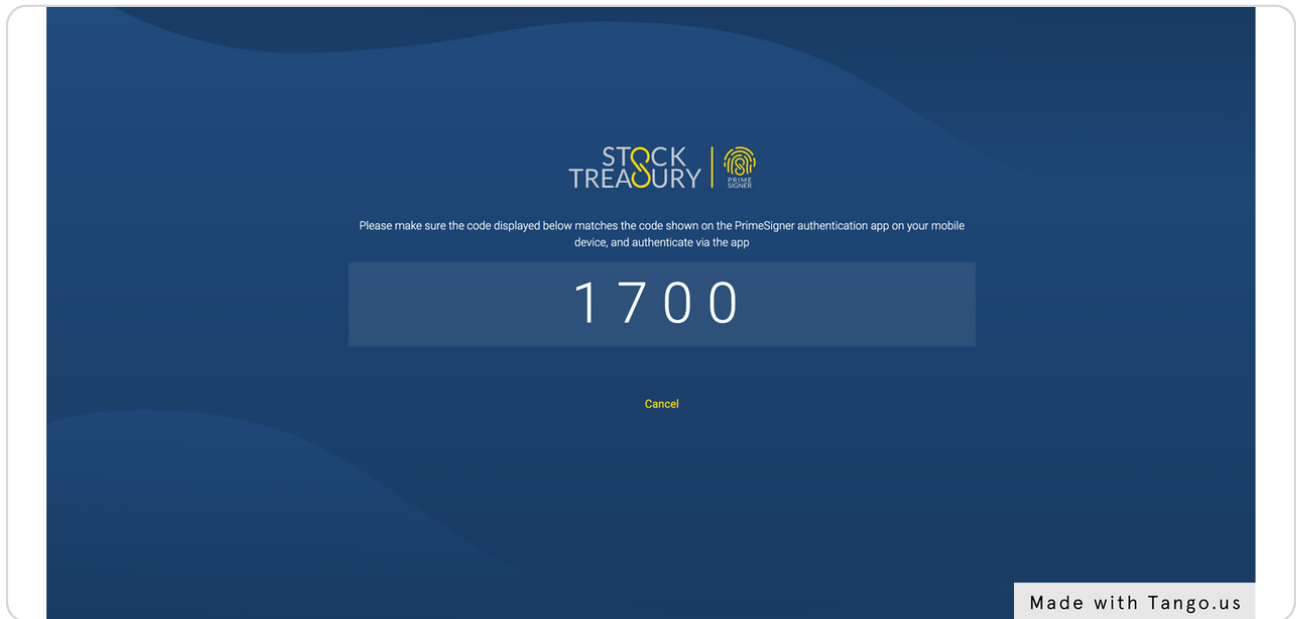

STEP 12

Re-enter to confirm and click on DONE

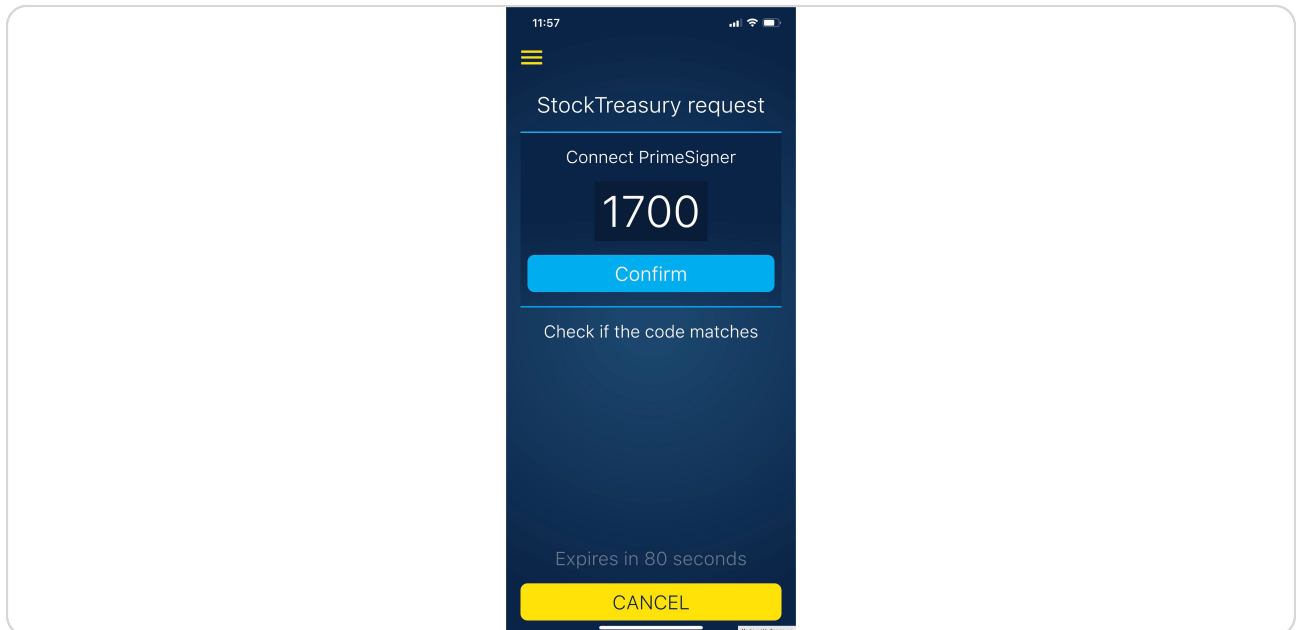

STEP 13

A four digit security code is displayed. Go to the PrimeSigner app on your mobile device.

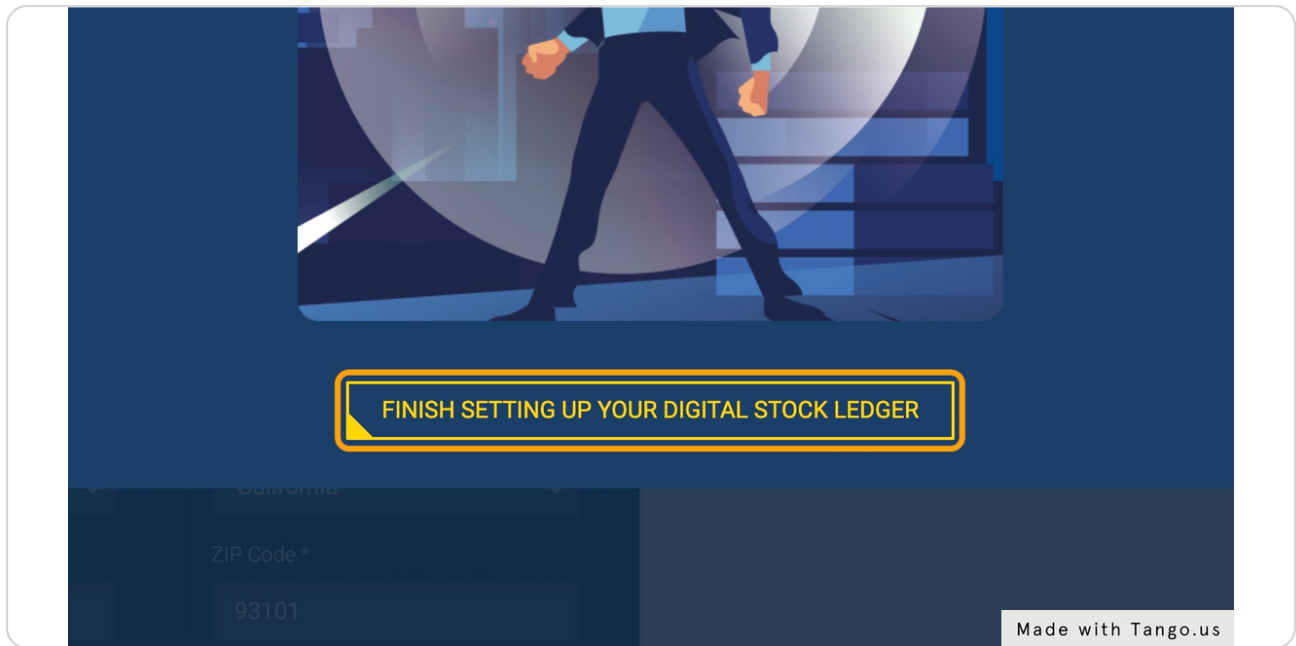

STEP 14

There is a four-digit code in the app. Make sure it matches the one in the browser and click on Confirm

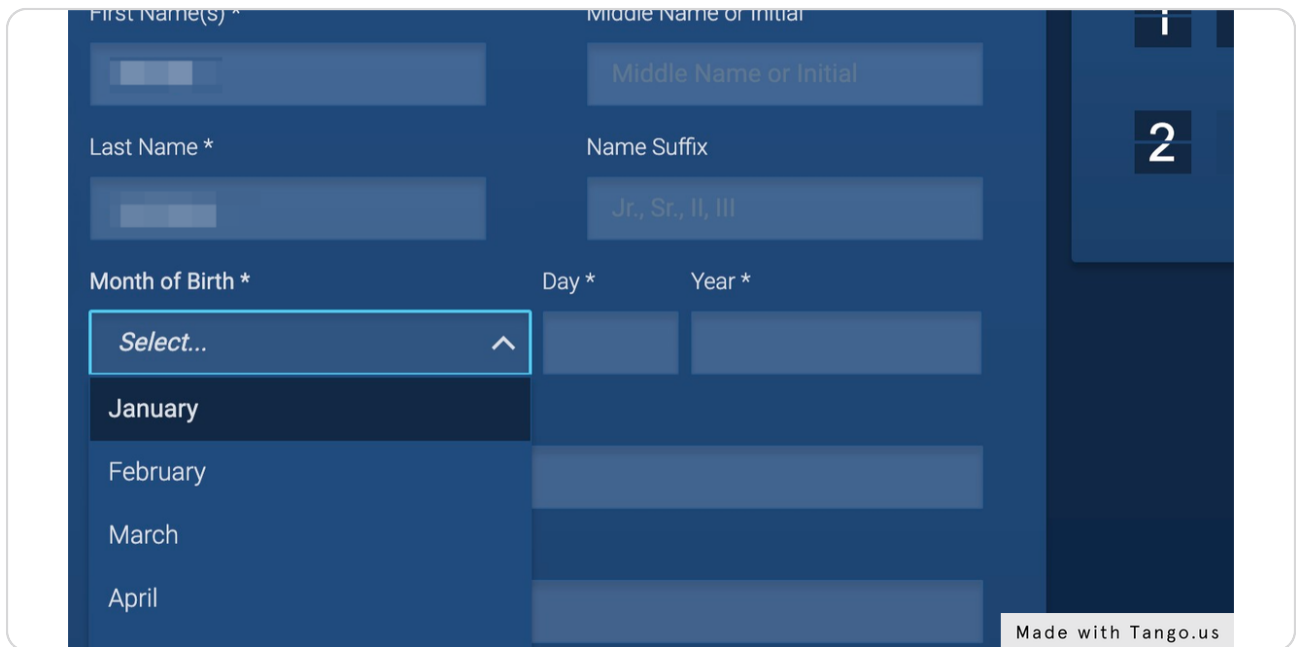

STEP 15

Now your PrimeSigner app is securely linked to your StockTreasury account. Click on **FINISH SETTING UP YOUR DIGITAL STOCK LEDGER**

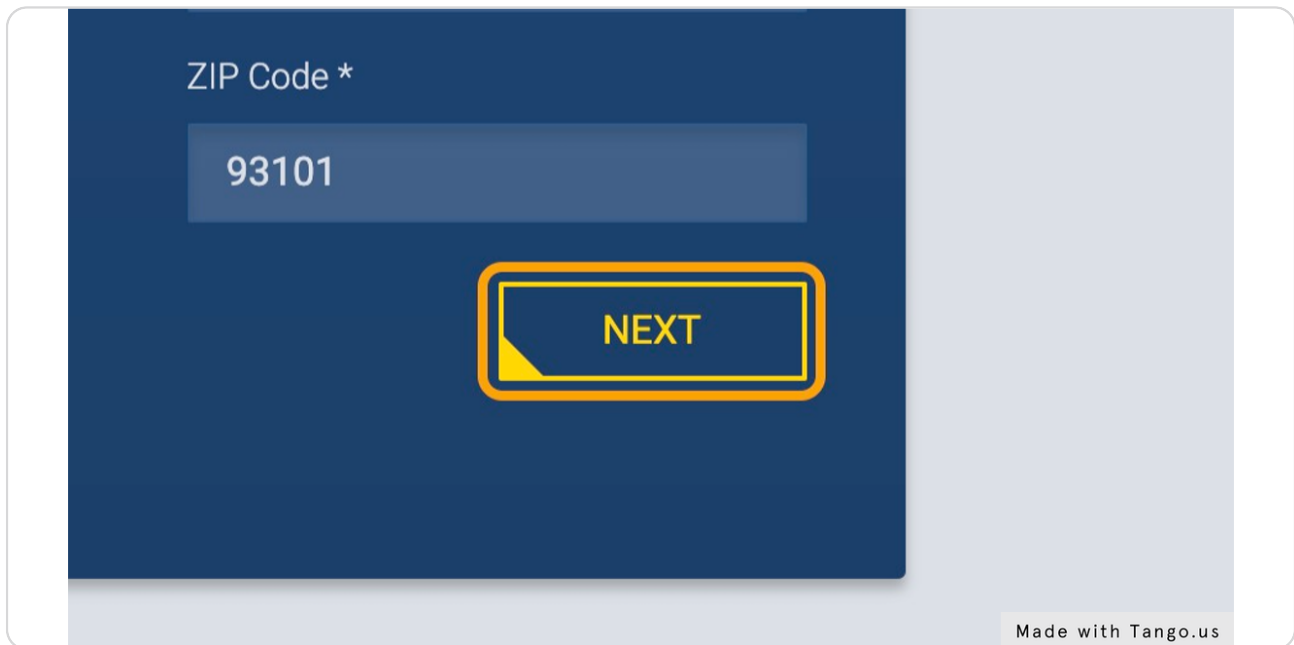

STEP 16

Check you full name (pre-filled) and enter your month, day and year of birth

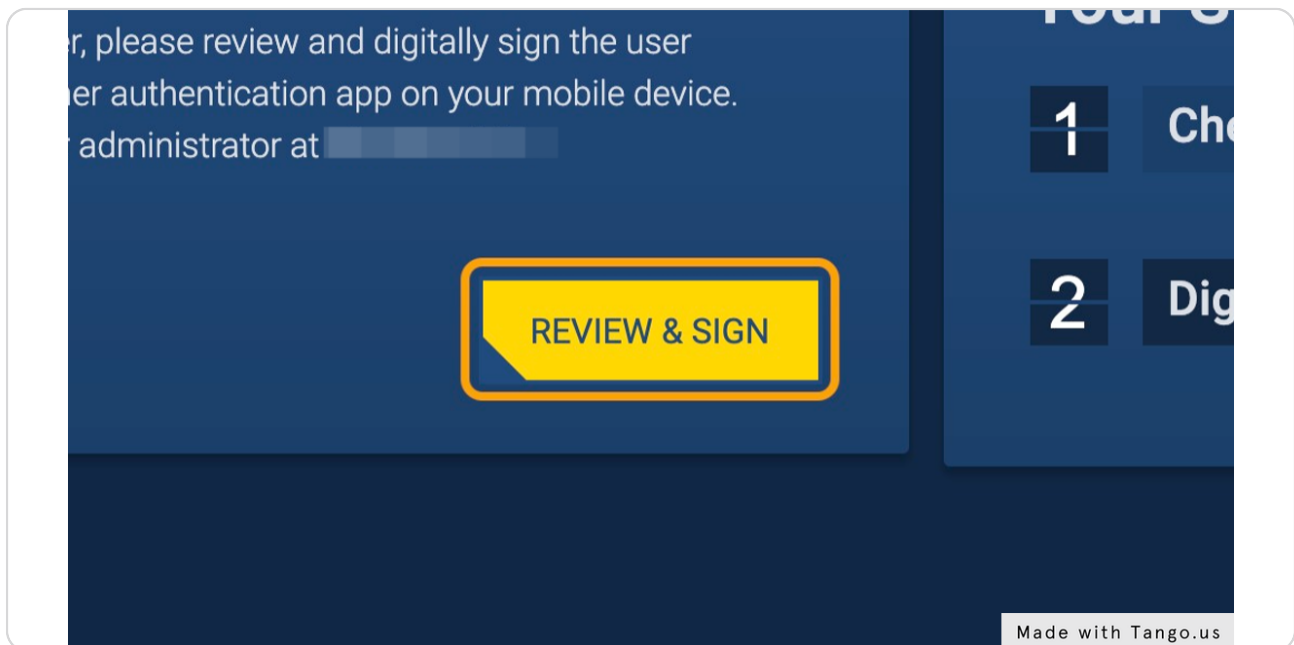

STEP 17

Check your address (pre-filled) and click on NEXT

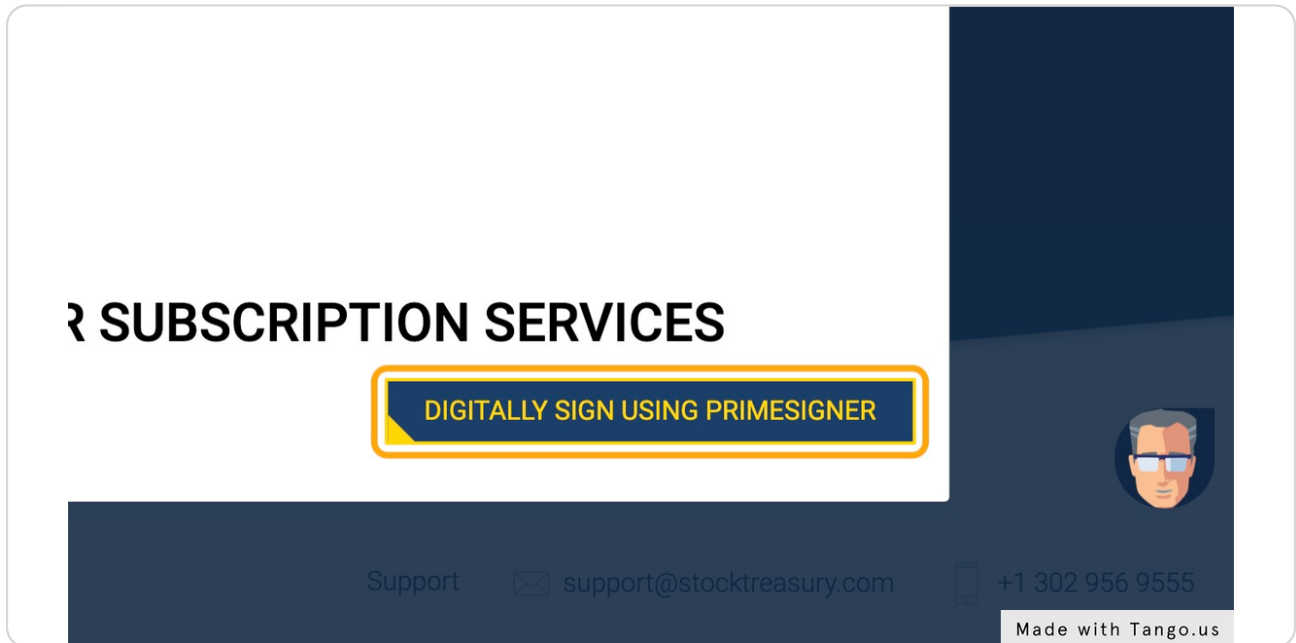

STEP 18

If any of your account information did not look correct, contact the corporate administrator. Otherwise, click on REVIEW & SIGN

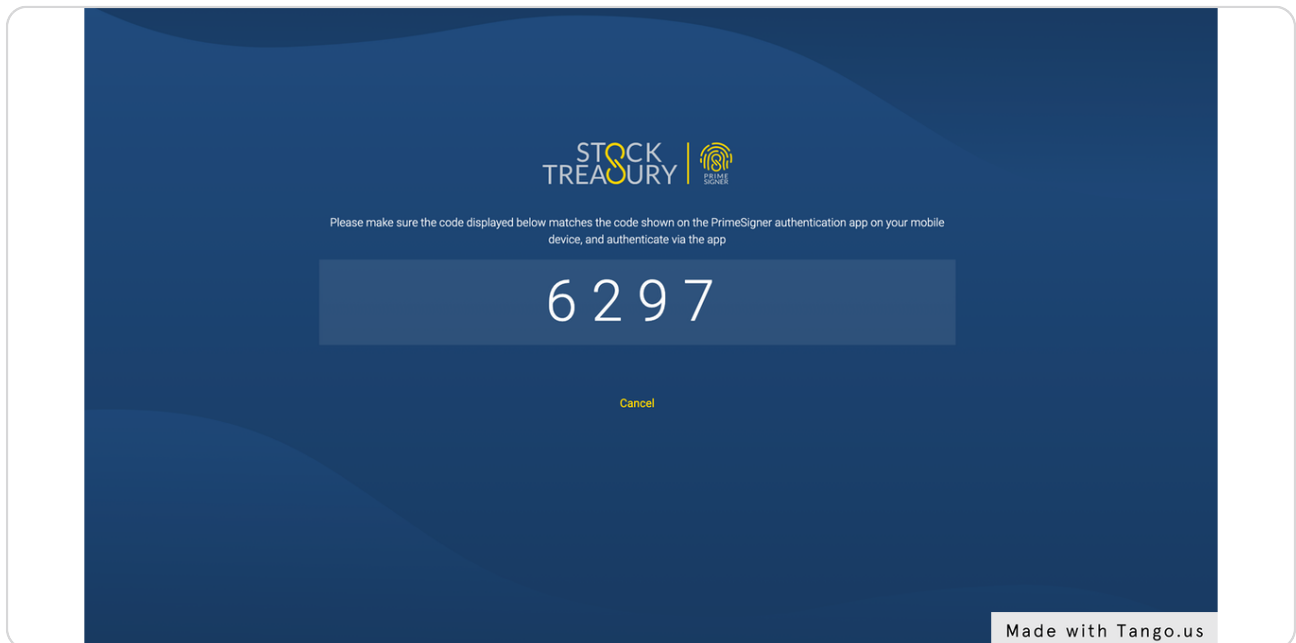

STEP 19

Review the user agreement and click on DIGITALLY SIGN USING PRIMESIGNER

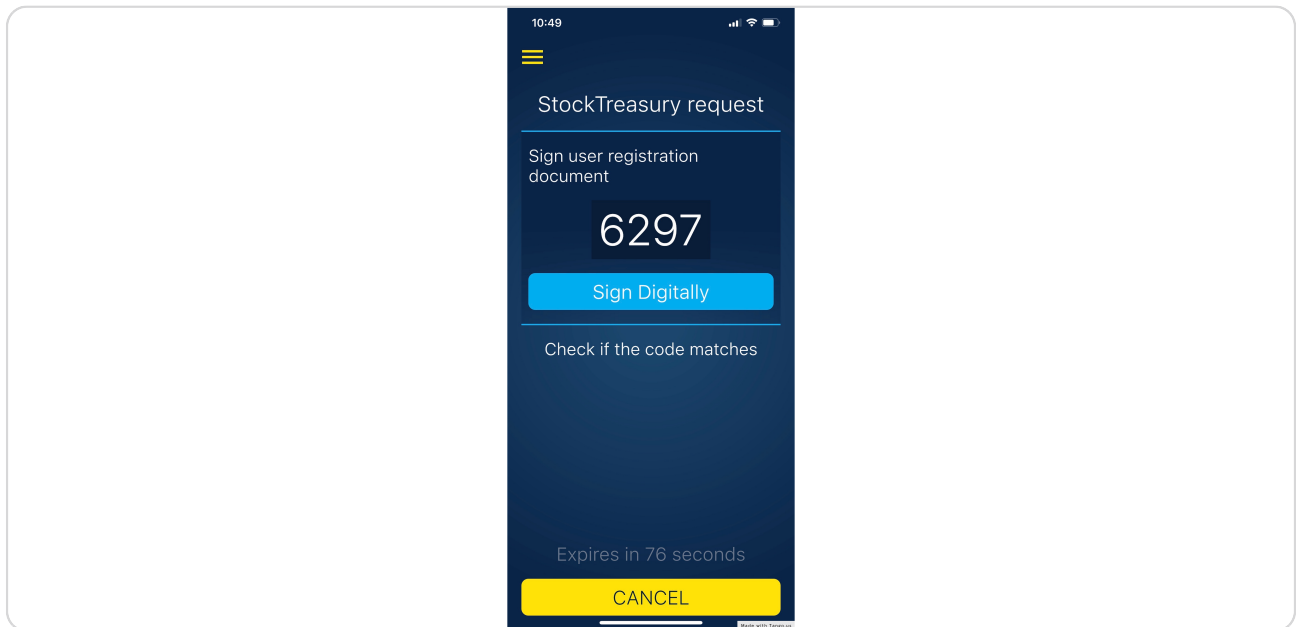

STEP 20

A security code is displayed in your browser again. Open PrimeSigner again on your mobile device.

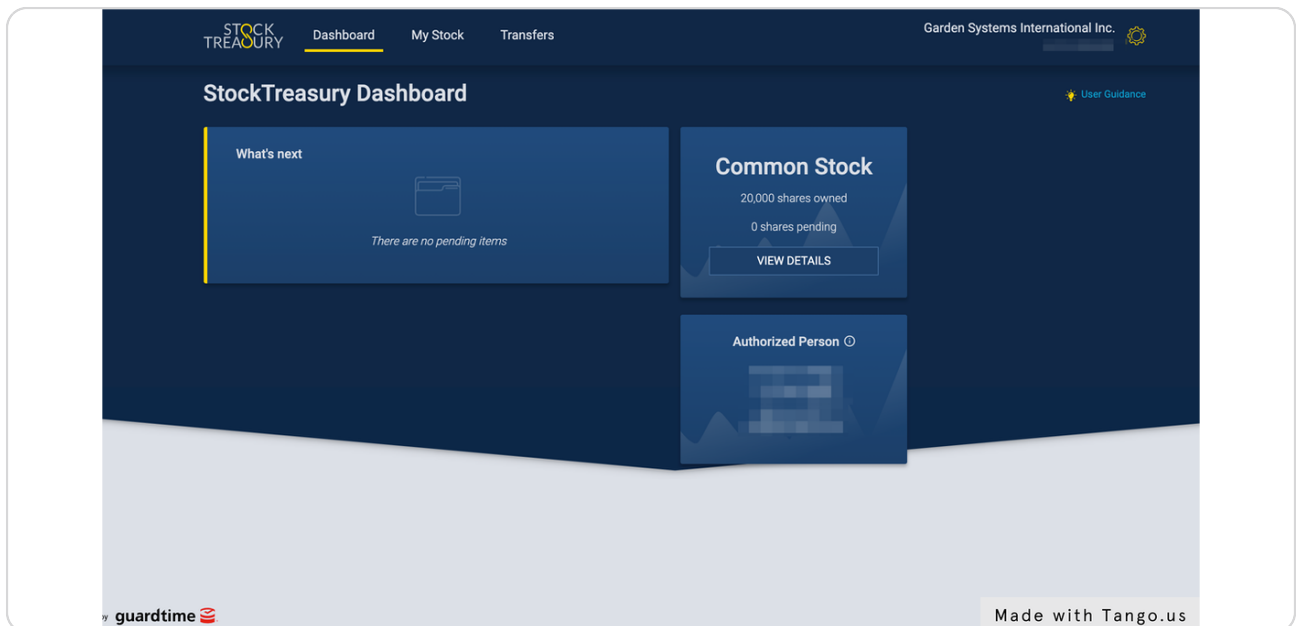

STEP 21

In PrimeSigner, make sure the code matches the one in the browser and click on Sign Digitally..

STEP 22

Congratulations! You have successfully completed all the onboarding steps and are now ready to access the shares that were transferred to you.
