STEP 1

On StockTreasury Sign in page, <https://stocktreasury.app/login>, click on **Forgot your Password?**

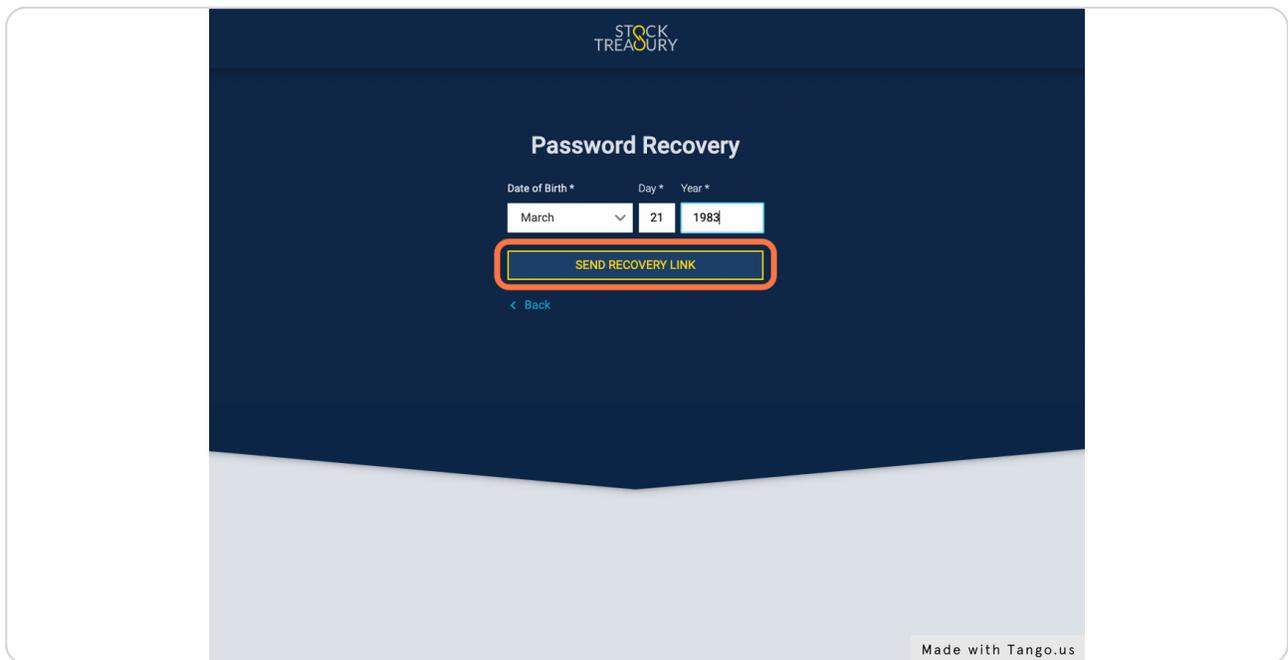

STEP 2

Type in your account email and click **Submit**.

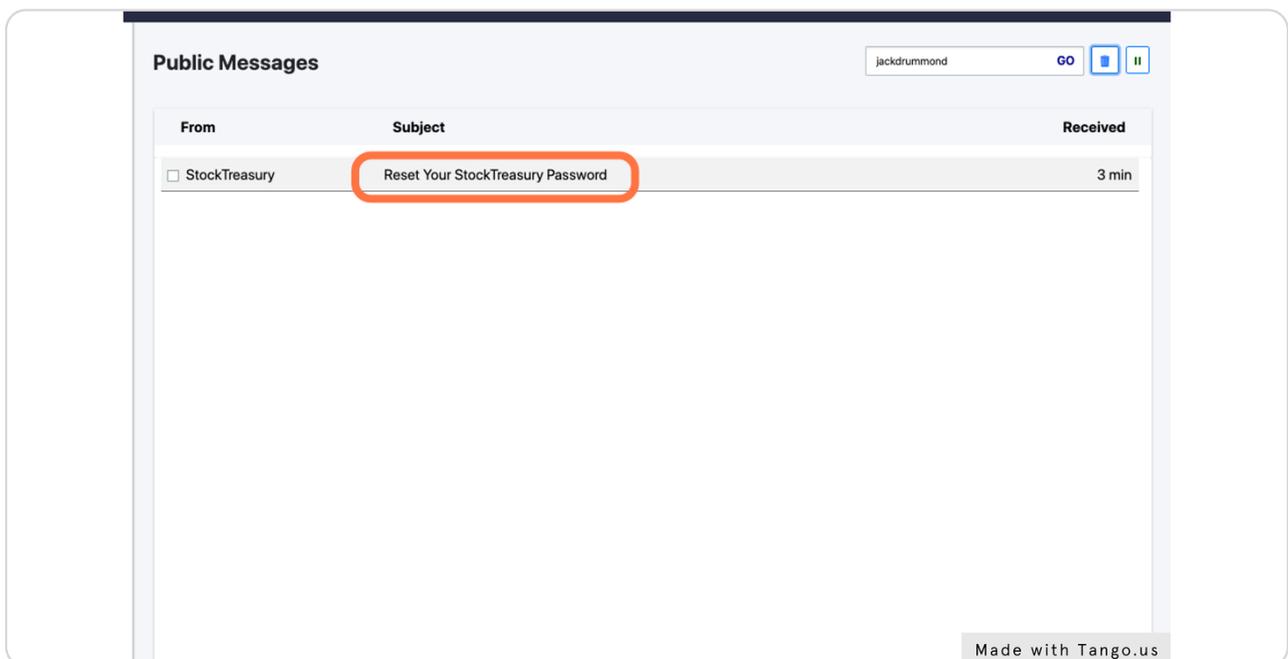

STEP 3

Enter your date of birth and press Send recovery link.

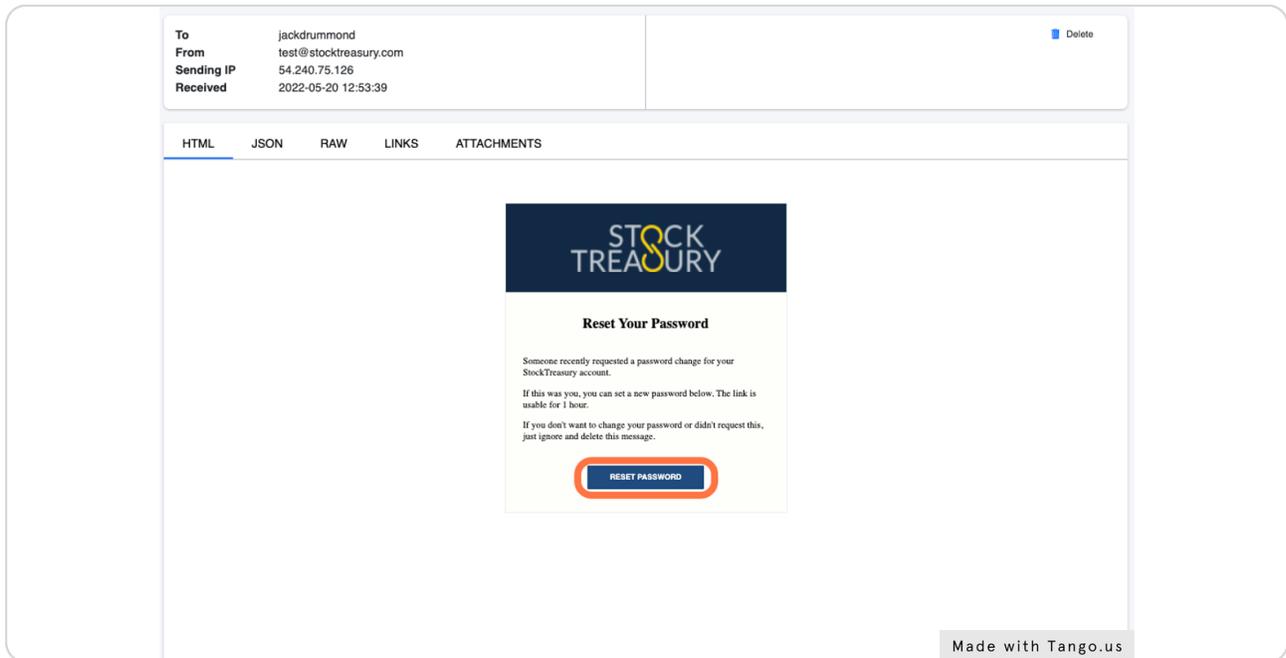

STEP 4

Check your inbox and find the Reset your StockTreasury Password email.

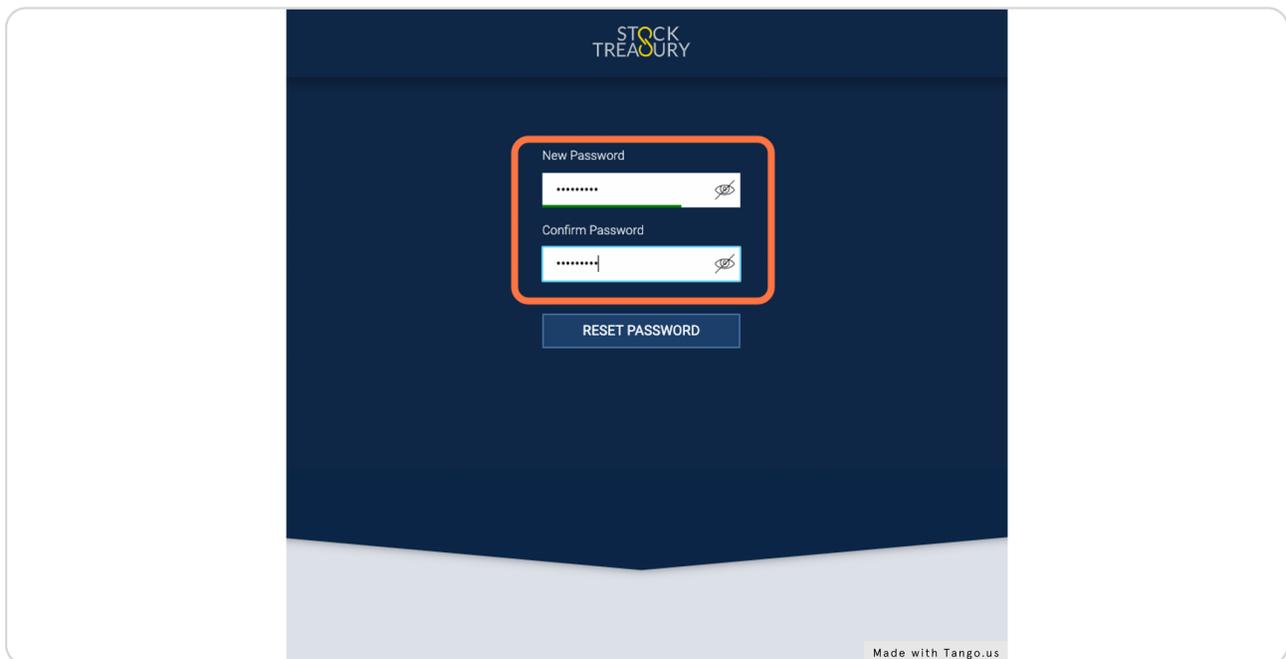

STEP 5

Open the email and click on Reset Password.

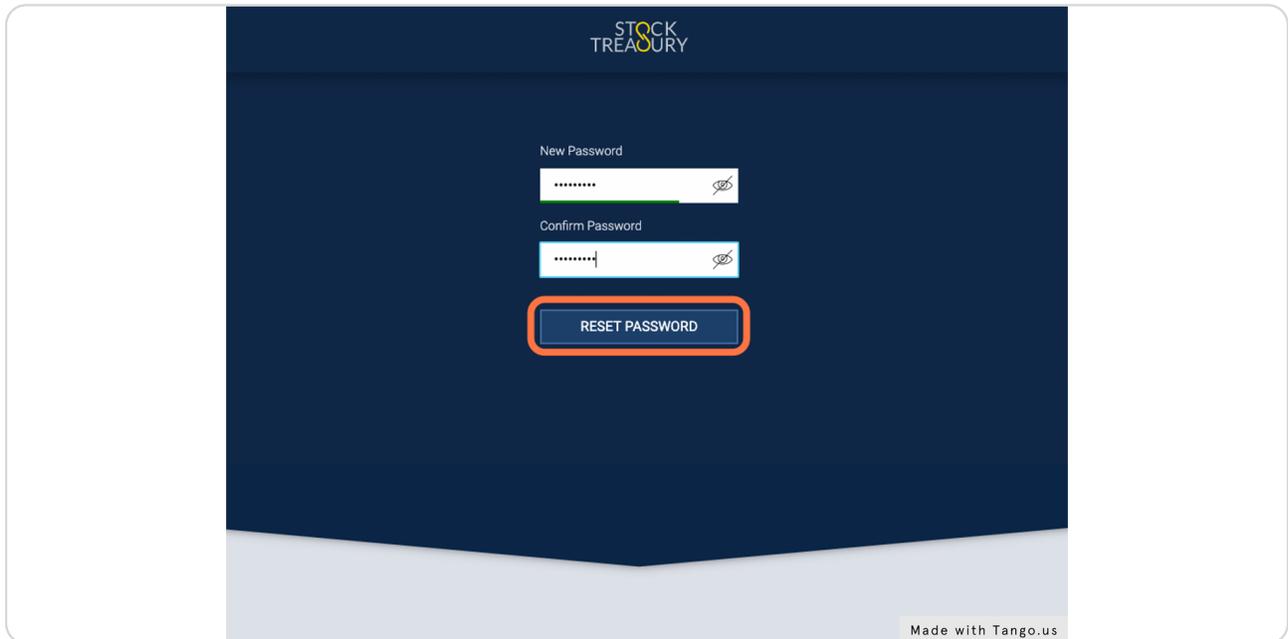

STEP 6

Enter a new password and confirm.

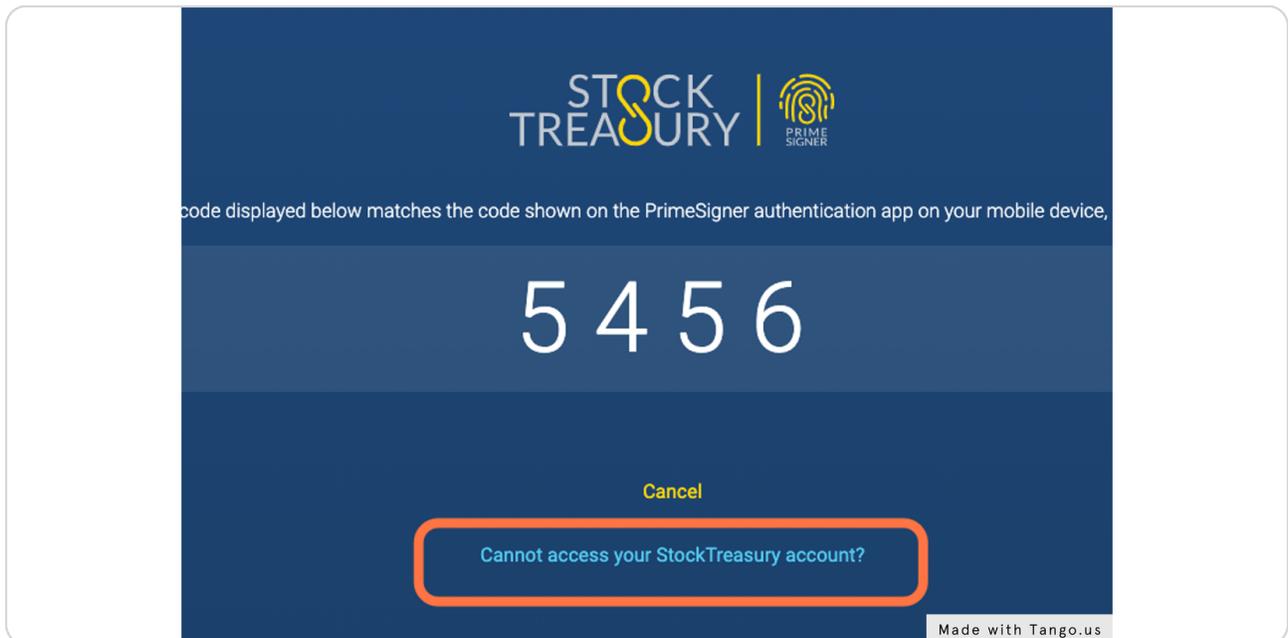

STEP 7

Click on Reset Password.

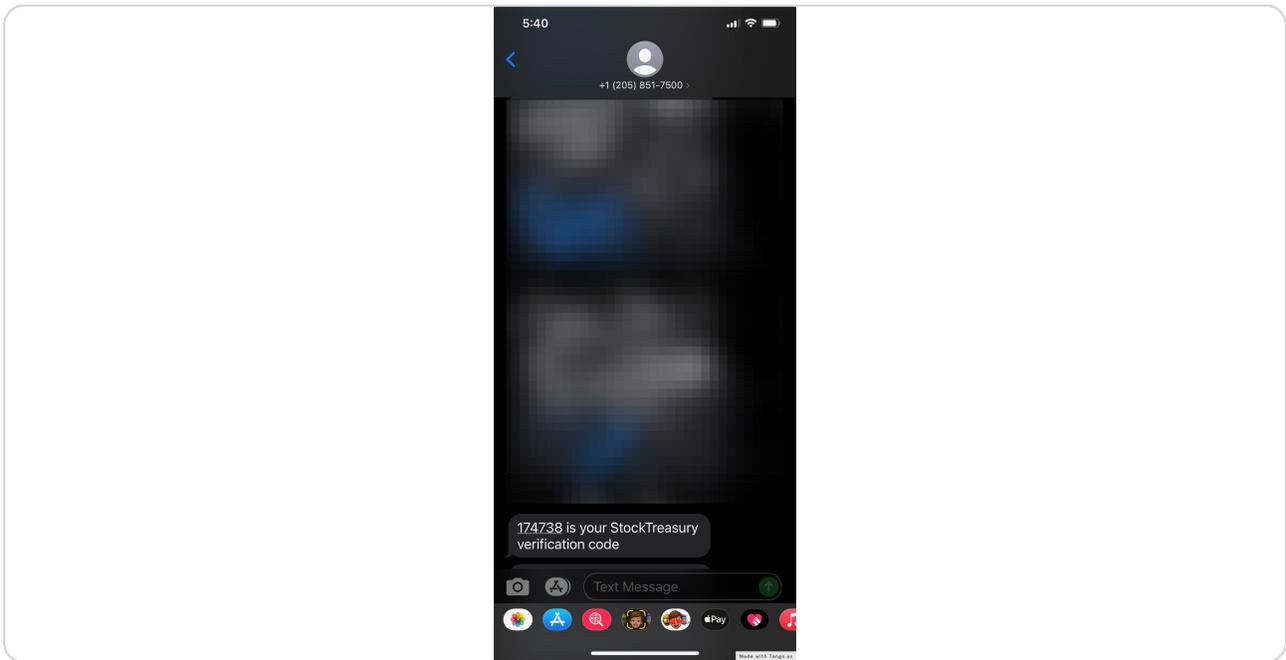

STEP 8

On the code page that opens, click on Cannot access your StockTreasury account?

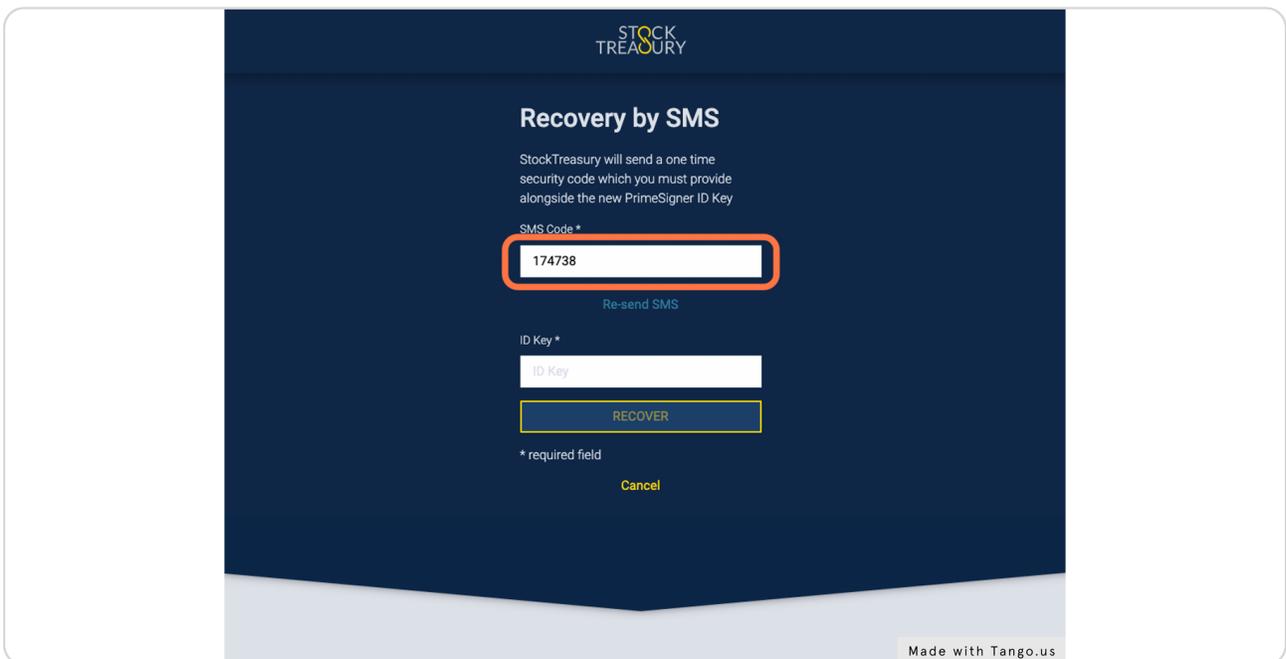

STEP 9

Check your text messages. You should have an SMS with a verification code.

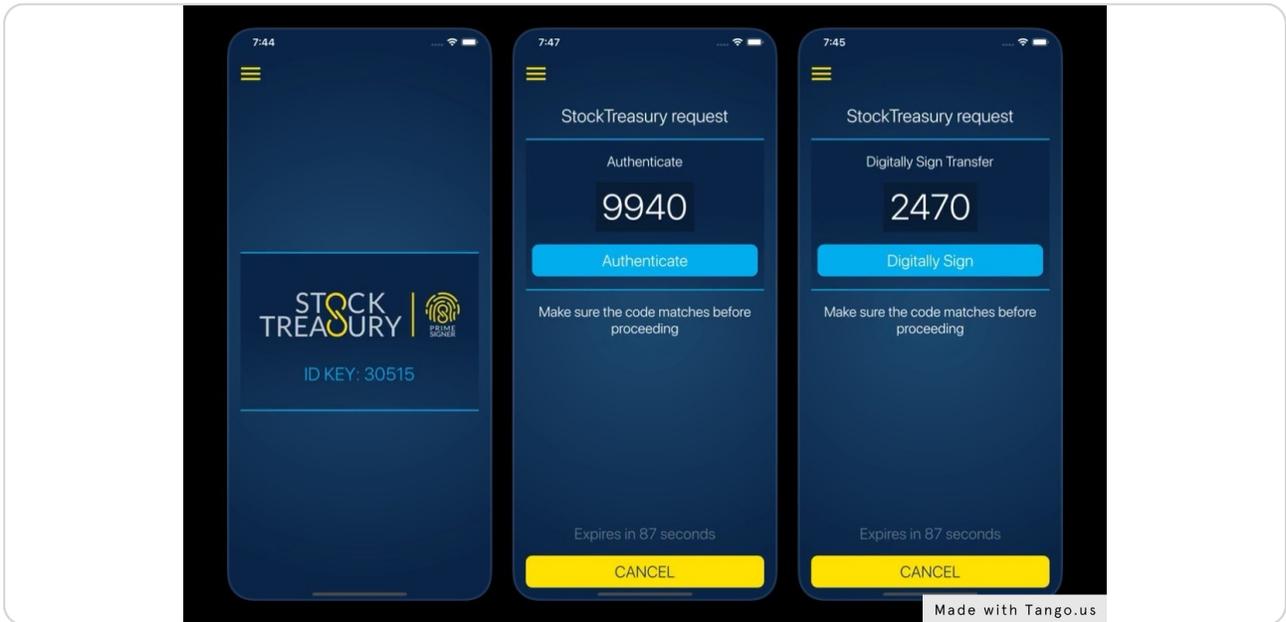

STEP 10

On Recovery by SMS page, enter the code from the SMS you received.

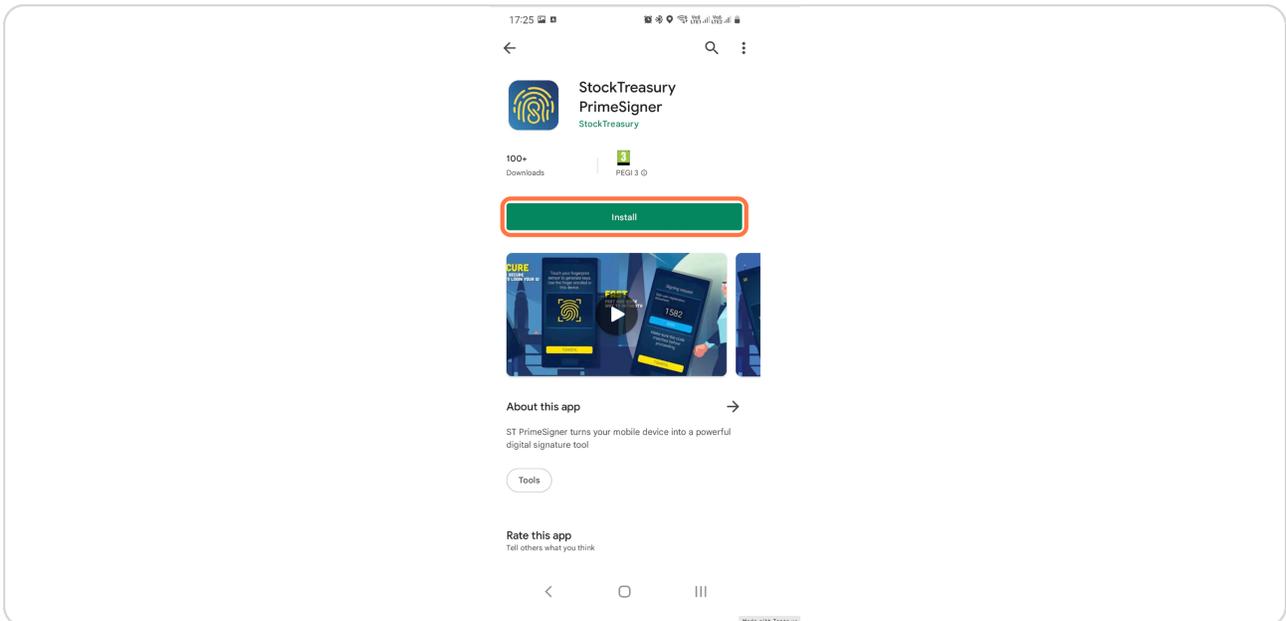

STEP 11

Reset process cannot be completed without ID Key from StockTreasury PrimeSigner. Please download the mobile app to proceed.

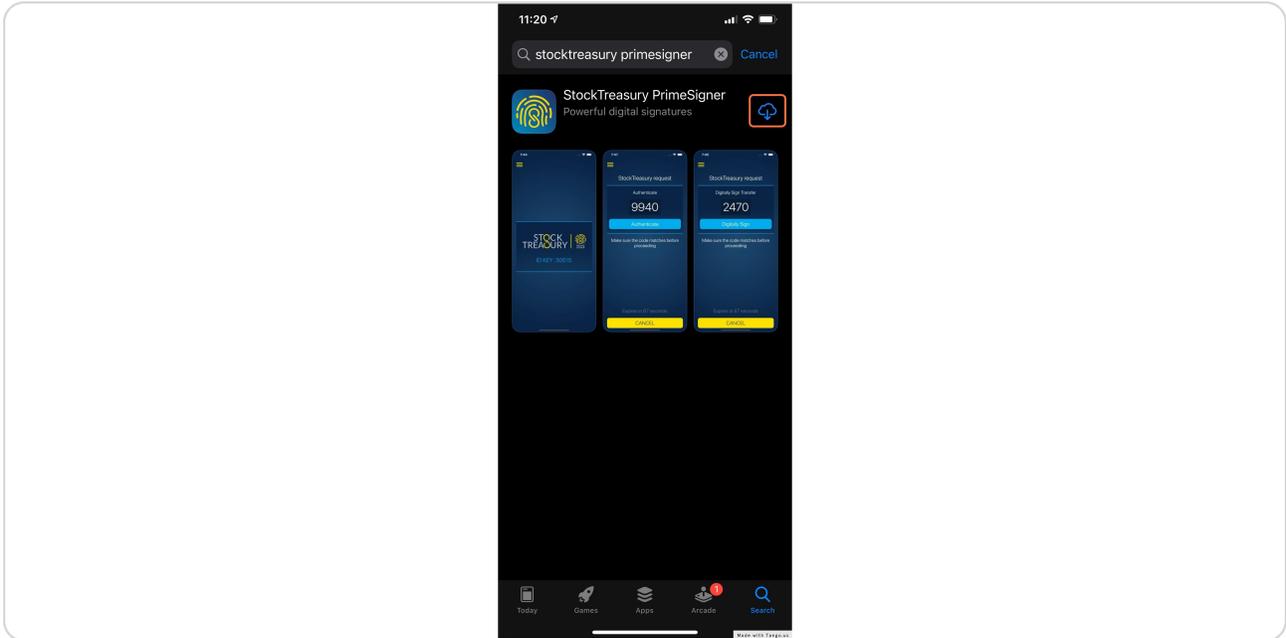

STEP 12

If your mobile device is an Android device, get StockTreasury PrimeSigner from Google Play store.

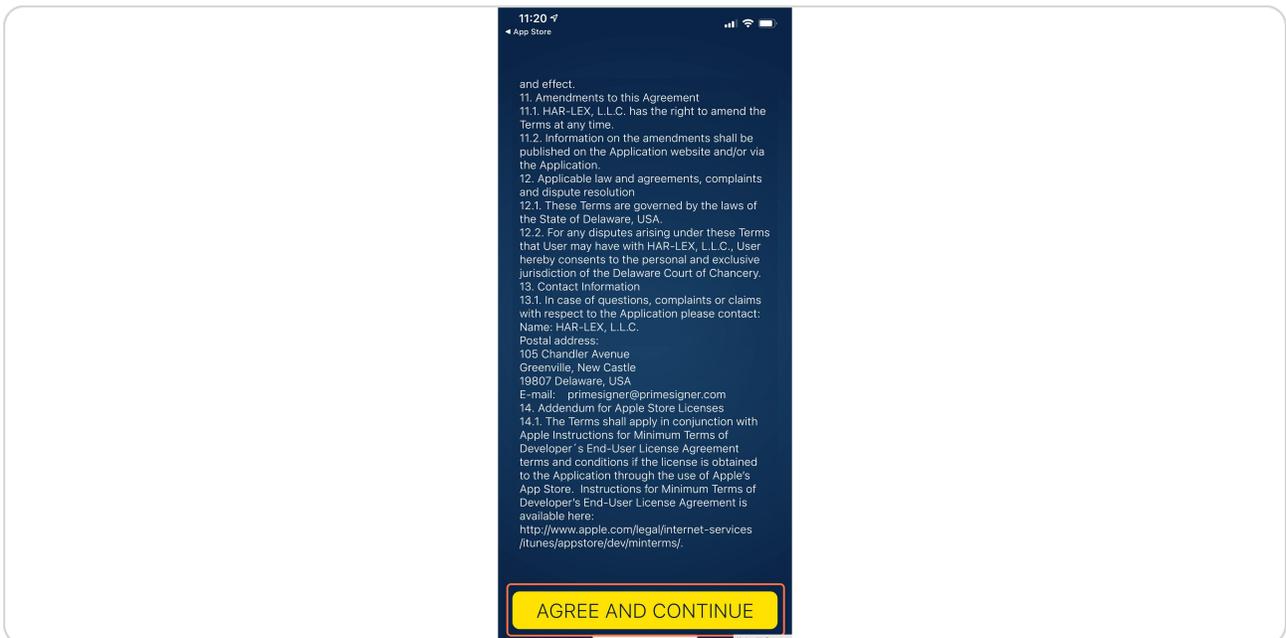

STEP 13

If your mobile device is an Apple device, get StockTreasury PrimeSigner from App Store.

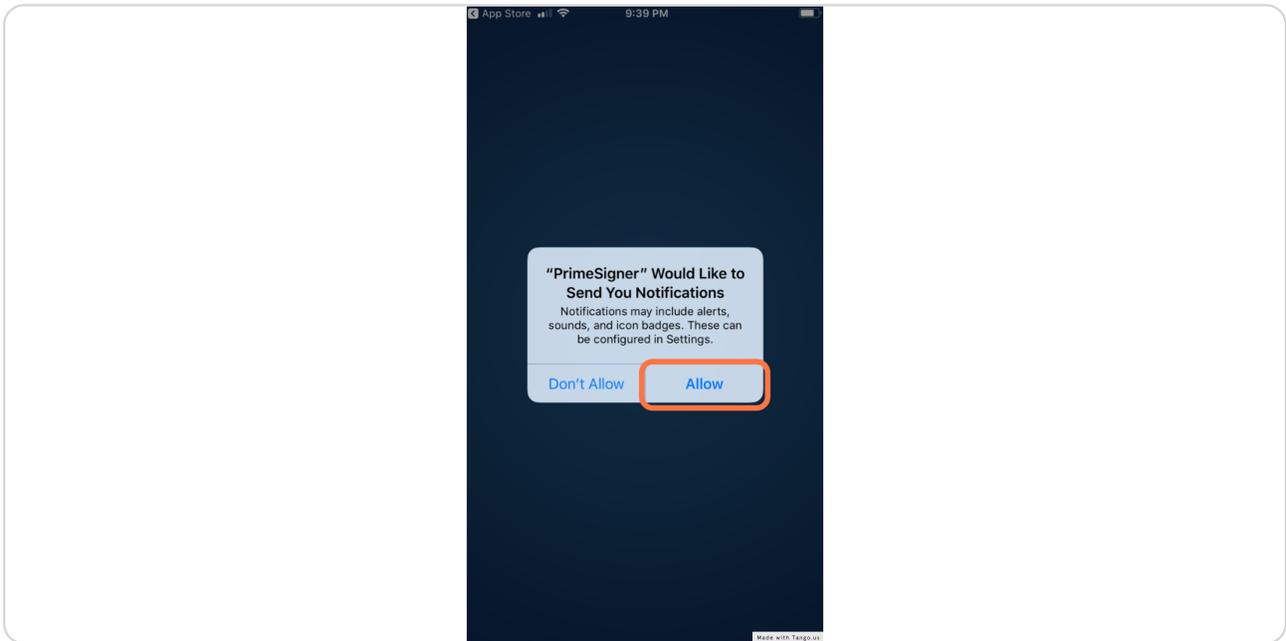

STEP 14

Install the app and click on **AGREE AND CONTINUE**.

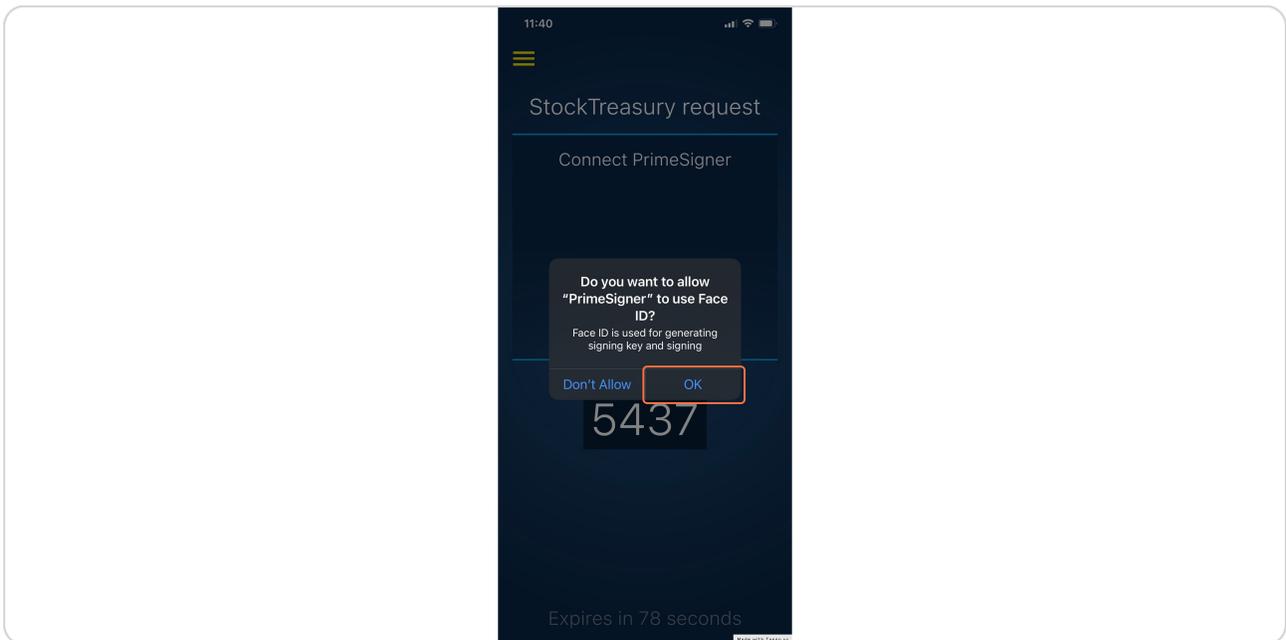

STEP 15

Allow PrimeSigner notifications.

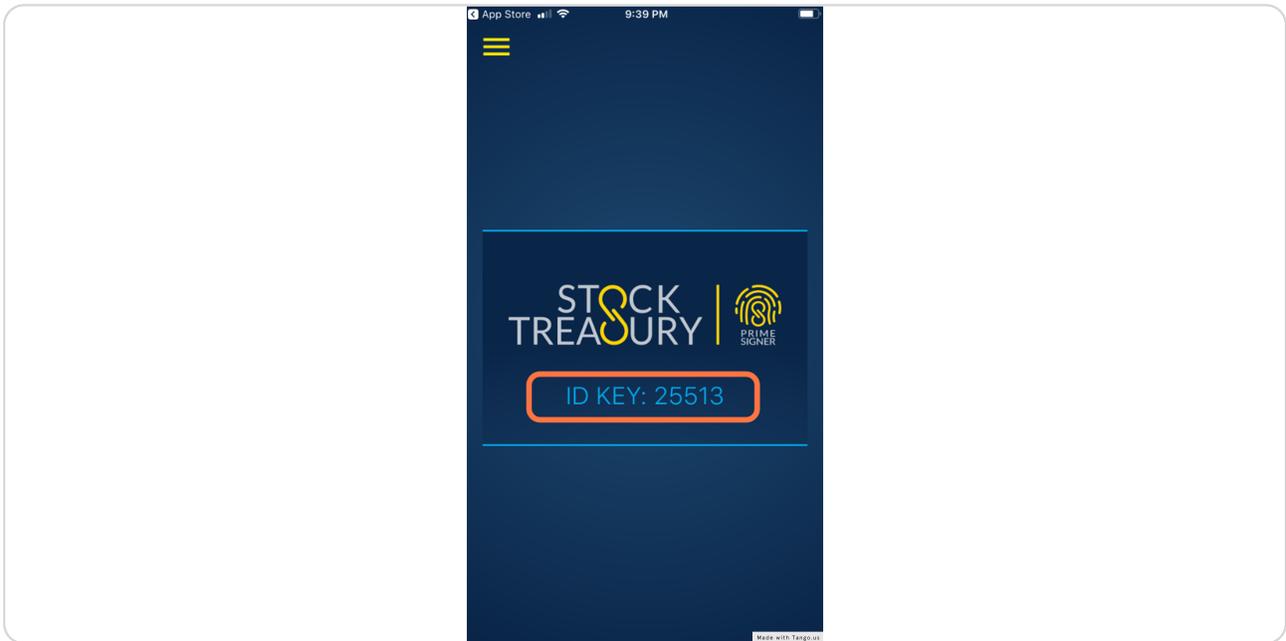

STEP 16

Allow biometric authentication – fingerprint reader or facial recognition – for PrimeSigner.

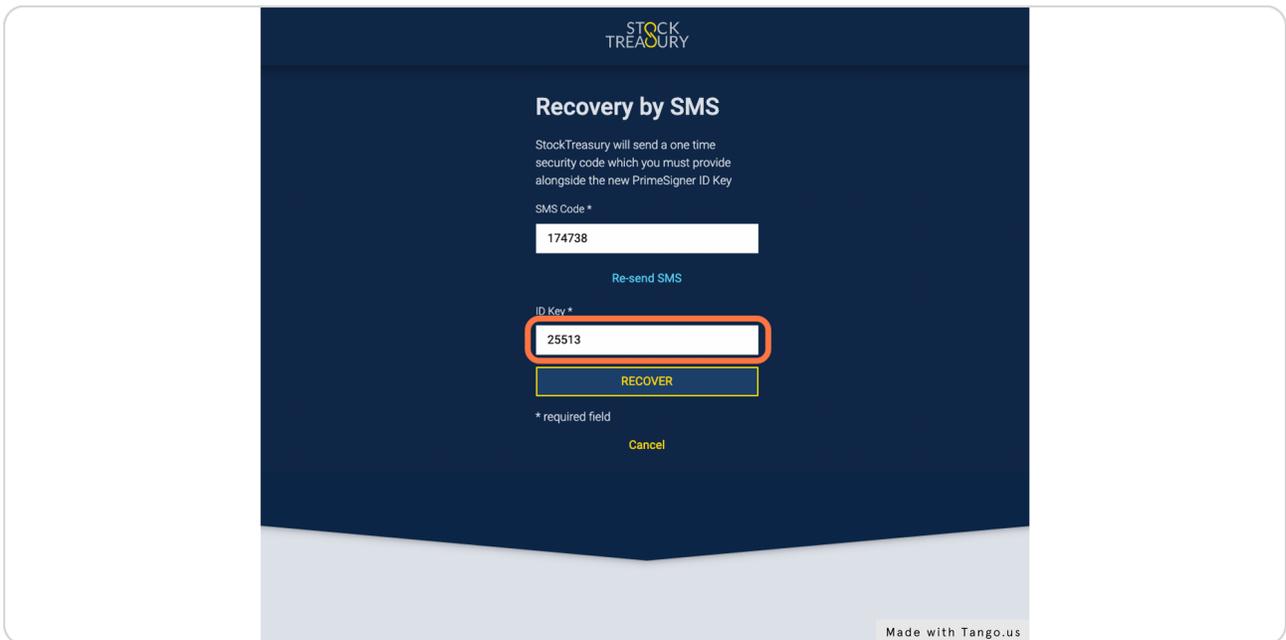

STEP 17

Make a note of your new PrimeSigner ID Key.

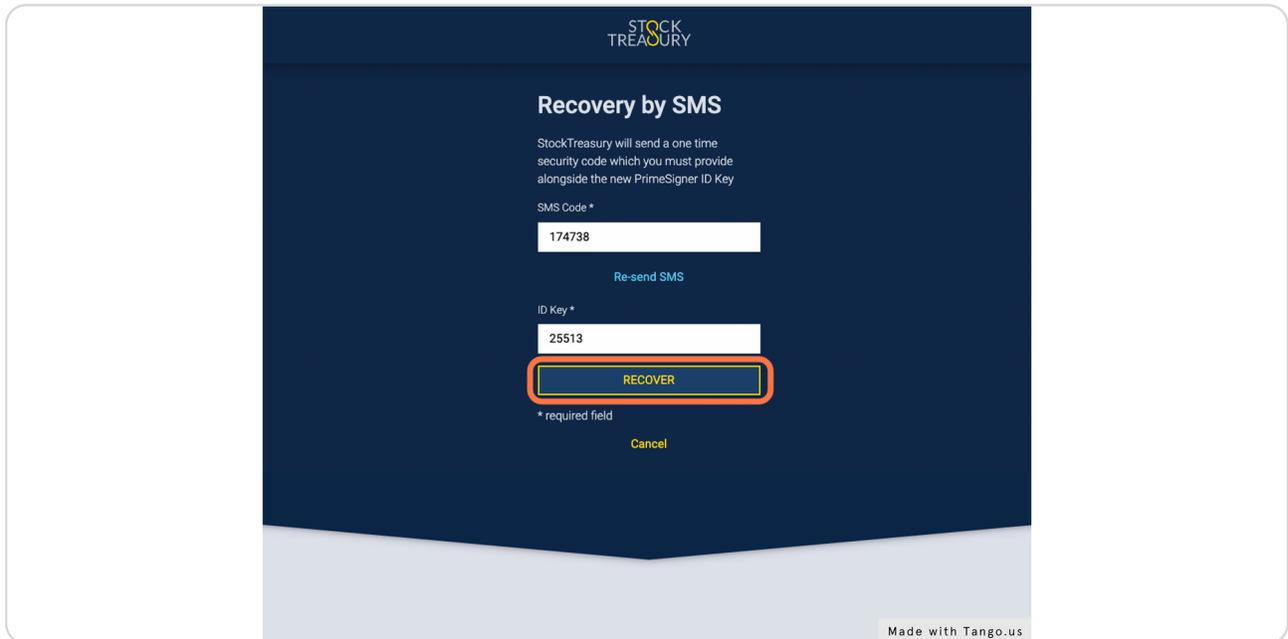

STEP 18

Back on the Recovery by SMS page, enter your fresh ID Key. If the SMS code has expired, resend the SMS.

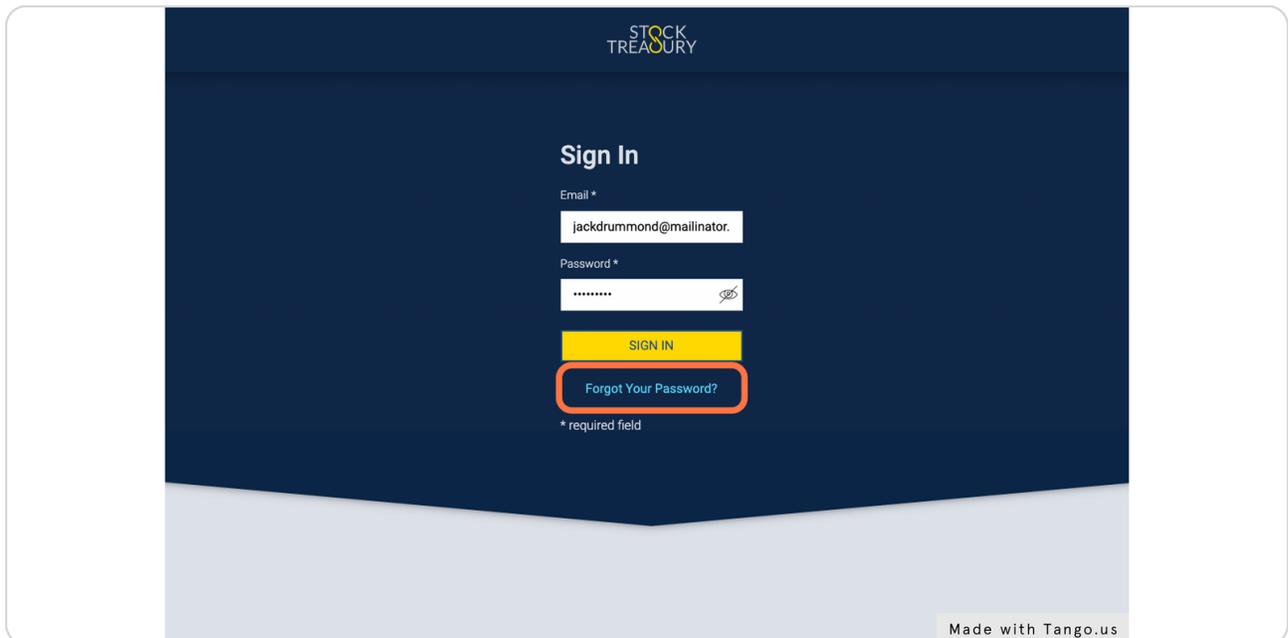

STEP 19

Click on Recover.

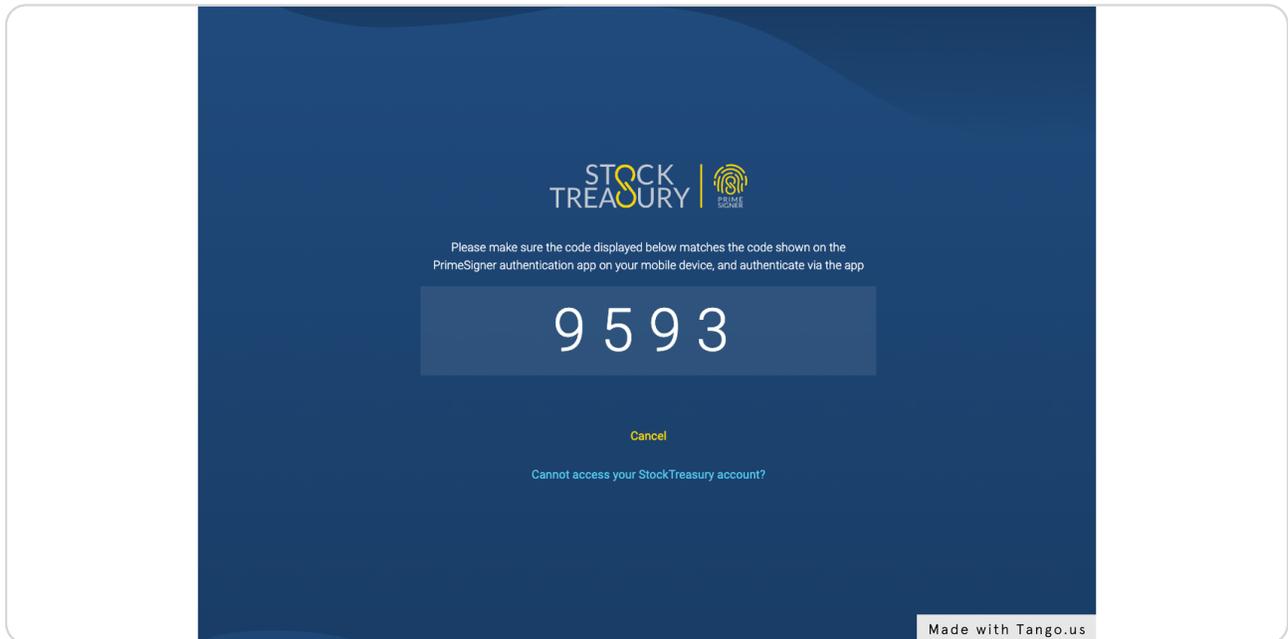

STEP 20

Reset your password one more time to complete the account reset. Refer to steps 1-7.

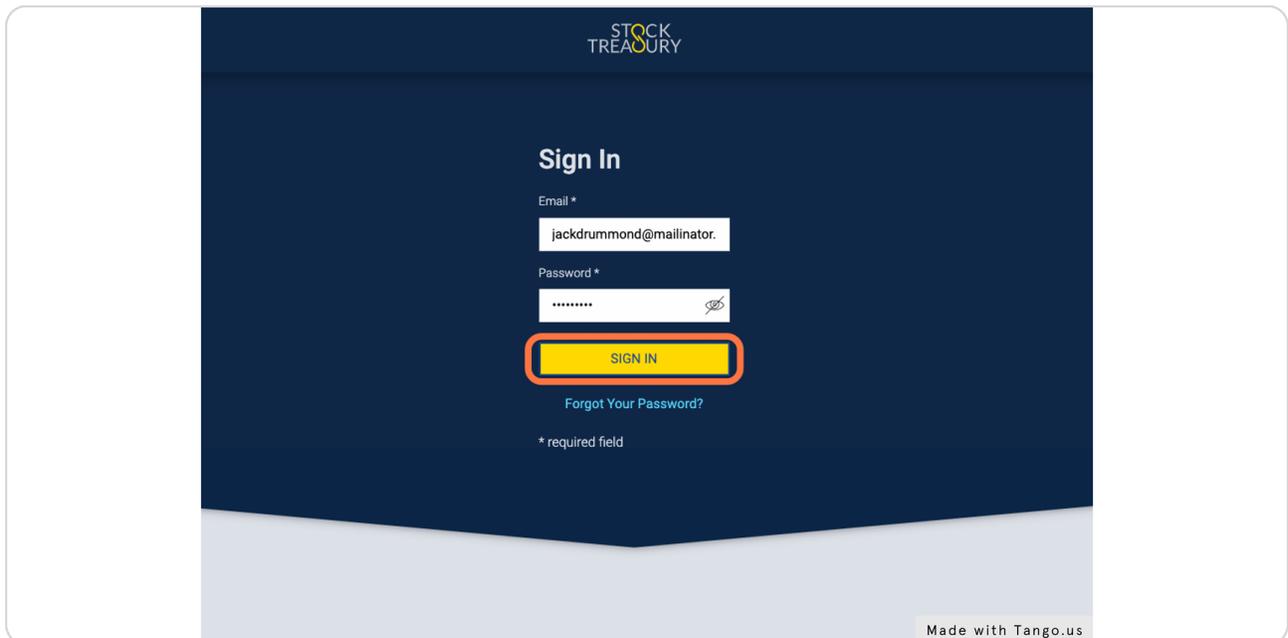

STEP 21

Once the code page opens, proceed in the PrimeSigner app.

STEP 22

You should now be able to sign in and use your StockTreasury account. Need more help? Please let us know at support@stocktreasury.com
